Mr. Peter Cammarata
President, Buffalo Urban Development Corporation
143 Genesee Street
Buffalo, New York 14203

Dear Mr. Cammarata,

On behalf of the Niagara Greenway Ecological Standing Committee (GESC), I am pleased to inform you that the GESC has determined that the "Ship Canal Commons Native Tree Planting" project, (i.e., the last phase of the GESC-approved "Union Ship Canal Open Space Project") has been completed to our satisfaction, based on the goals identified in the project proposal. Enclosed is a check for $23,000, which is the remaining balance of the project funds awarded to BUDC. Congratulations on a successful project and thank you for engaging in a project that advances the vision set forth for the Niagara Greenway.

Please do not hesitate to call me at 914-287-3457 if you have any questions.

Sincerely,

Stephen M. Schoenwiesner
Secretary
Greenway Ecological Standing Committee

Encl.
