Dear Ms. Rickard:

The Niagara River Greenway Commission is pleased to support the Tuscarora Nation "Project Consultation and Review" package for the "Ecological Enhancement, Wetland Restoration and Aquatic Habitat Restoration Project".

This project is consistent with the Niagara River Greenway Plan as determined by the Niagara River Greenway Commission. The subjective evaluation has been based on the principals, goals and criteria that define the Niagara River Greenway Plan. I have attached the public comments received on the "Ecological Enhancement, Wetland Restoration and Aquatic Habitat Restoration Project" during the deliberation timeframe for your use. The Commission is pleased to support the Tuscarora Nation project proposal and wish you great success.

Respectfully,
