Mr. Morrie Walworth  
Interim Vice President for Finance  
Lake Superior State University  
650 W. Easterday Avenue  
Sault Ste. Marie, MI 49783

Dear Mr. Walworth,

The Niagara Greenway Ecological Standing Committee (GESC) is pleased to provide the enclosed check from the New York Power Authority in the amount of $54,563.15 as final payment toward the fisheries research project “Quantifying Relationships between Fish Assemblages and Nearshore Habitat Characteristics of the Niagara River”. This recently concluded project has been under the direction of Dr. Kevin Kapuscinski, co-director at LSSU’s Aquatic Research Laboratory.

The Committee greatly appreciates Dr. Kapuscinski’s and his team’s excellent work on the project, as well as LSSU’s support on his and the project’s behalf.

Sincerely,
