Dear Mr. Mortenson:

On behalf of the Greenway Ecological Standing Committee (GESC), I am pleased to enclose a check in the amount of \$100,000 in support of the project "*Tree Regeneration at Tiff Nature Preserve*". This check represents the second year of GESC funding toward the project. As was done in 2010, the Committee would like the Project Manager to report on the progress of the project and meet with the Committee personally in October 2011. The Committee will contact you before then to schedule the progress review meeting.

If you have any questions, please do not hesitate to contact me.

Sincerely,

Stephen Schoenwiesner  
Secretary
