Mr. Pierre Wallinder  
Cazenovia Community Resource Center  
155 Cazenovia St.  
Buffalo, NY 14210

Dear Mr. Wallinder,

Congratulations! On behalf of the Greenway Ecological Standing Committee (GESC), I am happy to inform you that your revised proposal, "Invasive Species Control, Native Planting and Park Beautification", has been approved for funding.

We feel that once the project is complete it will contribute to the ecological health and advance the vision of the Niagara Greenway. Thank you for your ability to work with the committee on refining your proposal to be better aligned with the funding criteria for the GESC.

Enclosed is a check for \$37,612 which is 80% of your total funding request based on your revised budget of \$47,016. The remaining 20% of the total funding will be released at the completion of your project at which point you will be required to present a project summary and report to the committee.

I look forward to seeing your project take form and come into fruition over the next year. Best of luck with the start of your project and please feel free to contact me with any questions.

Best regards,

Tim DePriest  
Chair, GESC
