Dear Mr. Mortenson:

By now you should have received a payment of \$100,000 for funding for the Buffalo Museum of Science "Tree Regeneration at Tiff Nature Preserve" project. The Committee would like the Project Manager to report on the progress of the project and meet with the committee personally in October 2010. The Committee will contact you before then to schedule the progress review meeting.

Please do not hesitate to contact me at 914-287-3247, if you have any questions, and good luck with the project.

Sincerely,

A handwritten signature in cursive script that reads "Edward Alkiewicz".
