Dear Mr. Mortenson:

The Niagara River Greenway Commission is pleased to support the Buffalo Museum of Science's "Project Consultation and Review" package for the "Tree Regeneration at Tiff Nature Preserve".

This project is consistent with the Niagara River Greenway Plan as determined by the Niagara River Greenway Commission. The subjective evaluation has been based on the principals, goals and criteria that define the Niagara River Greenway Plan. I have attached the public comments received on the "Tree Regeneration at Tiff Nature Preserve" during the deliberation timeframe for your use. The Commission is pleased to support the Buffalo Museum of Science project proposal and wish you great success.

Respectfully,
